Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report and in addition to our initial response because new information has surfaced regarding an oversight by our committee.

Upon reviewing our accounting records we determined that the in-kind transfer to Massachusetts Republican State Congressional Committee (Mass.) reported by us agrees with the In-kind letter we have on file in our accounting/reporting department for the Mass. transfer previously reported. We have now determined that there are two transfers but that documents for only one transfer reached our accounting department and only one of the documents reached the Mass. committee. The documents that are created to approve these transfers and that serve as backup for the reporting process were mistakenly distributed separately to the two parties to the transfer as though they were photocopies of a single transfer. This resulted in one committee reporting one transfer and the other committee reporting the other. The close date and similar content of these two documents apparently contributed to this oversight. We have made the correction and amended our report and advised the Mass. committee of this.

I hope this helps clarify this matter however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
Director of Accounting
